

# Material Safety Data Sheet

## Trade name & Product details: SANGIR® NOVAFAB PPGL Sheet

Manufacturer's details :	Sangir Plastics Pvt Ltd, Survey no 146/P2, Near Raymond's Ltd., Killa Pardi, Motiwada, Valsad - 396125, Gujarat, India.
Hazards identification :	Unknown
Chemical composition:	Polymer of Propylene
First-aid measures :	Medical aid is not necessary First-aid measures: none Routes of exposure: none Symptoms /effects: none
Fire fighting Measures:	For small fire: Water, fire extinguisher, carbon dioxide For large fire: Foam
Personal protection / Exposure controls :	Eye protection: Not required Exposure assessment : None Special design of technical, processing facilities: not required
Accidental release measures :	Person-related measures: none Environmental protection measures: not applicable Cleaning equipment: not applicable Unsuitable cleaning products: not applicable
Handling and storage :	Handling: no special regulations to be observed Storage: storable under roof only .Open storage not recommended.
Physical and chemical properties :	<p><u>Phenotype</u></p> <p>Physical state: Semi finished product, solid state Colour: Grey Odor: Not applicable</p> <p><u>Change of state</u></p> <p>Crystalline melting range: 130-142°C</p> <p><u>Other remarks</u></p> <p>Base Density: &gt;910 Kg/m<sup>3</sup></p>
Stability and reactivity :	Thermal decomposition: above appr. 300 °C Hazardous composition products: Besides carbon black also carbon dioxide and water as well as low molecular parts of PE will develop during the burning process. In case of incomplete burning also carbon monoxide may arise. Use of stabilizers: none Exothermic reactions: none Notices regarding state of aggregation: none Conditions to be avoided: none Substances/media to be avoided: none
Toxicological information	No hazardous effects on health were observed over several years of usage.

Ecological information :	<p>No biodegradation, no solubility in water, no hazardous effects on the environment are to be expected.          Mobility: not applicable          Accumulation: not applicable          Eco-toxicity: not applicable</p>
Disposal considerations :	<p>Can be recycled or can be disposed of together with household rubbish (acc. to local regulations).          Waste name: waste of propylene</p>
Transport information :	<p>No dangerous product in respect to / according to transport regulations          Notice/symbol transport containers: none          Special marking for containers: none</p>
Other information :	<p>This is based on our current state of knowledge. It does not give any assurance concerning the product(s) described within the meaning of statutory warranty regulations</p>
